INTERNSHIP EXPERIENCE

BitsnPixs Technologies Pvt. Ltd. — Web Development Intern *June 2026*

- Completed a Web Development internship, gaining hands-on experience in both frontend and backend web development.
- Developed and implemented an Expense Tracker web application using HTML, CSS, JavaScript, PHP, and MySQL to manage income, expenses, and transactions.
- Applied core web development skills across HTML, CSS, JavaScript, PHP, and MySQL to build functional, database-driven web features.

PROJECTS

AI-Based Interview Readiness and Pattern Analyzer

- Analyzes interview performance and feedback to detect recurring mistakes and patterns across attempts.
- Provides personalized improvement recommendations and a readiness score to track progress over time.

Expense Tracker Website

- Built with HTML, CSS, JavaScript, PHP, and MySQL to manage income, expenses, and transactions.
- Simple, user-friendly interface for recording and tracking daily finances.

Portfolio Website

- Responsive personal site built with HTML, CSS, JavaScript, and Bootstrap.
- Showcases projects and skills; includes an EmailJS-powered contact form.
